

FORMAT

The onsite registration of participants and the welcome reception will take place on Sunday.

Paper presentations (lectures and posters), last minute poster communications and the exhibition are planned from Monday to Wednesday. The programme will be structured into parallel sessions, including an extended poster session with a poster party. Additionally selected posters will be given a short slot for oral presentation within the programme.

REGISTRATION

Registration is open at www.lp2016.eu.

In general there is no registration deadline as long as free capacity is available. Please note that registrations received after **01 May 2016** may not appear in the list of participants. Confirmation of registration and the invoice will be sent after receipt of the registration. Conference tickets and list of participants will be available at the registration desk on site.
